Experience

The Duomo Initiative – January to April 2019

Edited 10 financial education videos for The Duomo Initiative's YouTube channel, with an audience of 84,000 subscribers. These combine a presenter or voiceover with stock and news footage. Topics have included cannabis, meditation and central banks.

Wondershare DVD Creator – 2018

Produced a series of 10 tutorial videos for Wondershare's DVD Creator software. Wrote scripts based on their existing guides, screen capture using Camtasia Studio and recorded and the voiceover using Adobe Audition.

Homesdomus and Londra Immobili – 2016-2017

Edited 120 slideshow videos, over a 9 month period, showcasing different residential properties to complement their online listings.

Ryearch – 2014, 2016

Directed, edited and scripted a 5 minute overview video for Ryearch, one of the South West's leading privately owned contractors. This included meetings with the managing directors to establish the script, structure and tone, and filming at different sites across Plymouth. Two years later, I worked with them again to update the video to feature their current managing director and their newest project.
